

Catalina 350 International Association  
Bridge Meeting  
9/26/2018  
Minutes

1. Armin presented the treasurer's report. The ending balance is \$ 12,588.77
2. Pam Brown was approved unanimously as the Vice Commodore per the constitution.
3. Armin has given notice of his retirement as Treasurer by the end of the year. All Bridge members are asked to help search for a new treasurer. Bruce will contact the magazine to see if it is too late to place a request in the C350 Commodore's comments.
4. Bill identified 16 members who did not receive hats. The Bridge approved sending hats to these members. There were an additional 7 folks who had been members and did not receive hats, but had since let their membership lapse. The Bridge decided not to send hats to these people.
5. The Bridge decided to continue furnishing hats to new members. Bill believes that the present 20 hats in inventory will last approximately 3 years.
6. The reduction in membership, Neville believes, is due to failure to send invoices to those members who do not use PayPal. Those who did not receive an invoice will be sent new invoices.
7. Neville and Pam proposed that a bank account and post office box be established in Niceville, FL. This is to take over the responsibility for receipt of checks. This was approved by the Bridge
